# Location and overview.

An amazing 400 metres below sea level on the shores of the world's deepest salt lake in a land of history, Mövenpick Resort & Spa Dead Sea blends ingeniously into its astonishing surroundings and offers guests a luxurious vacation destination.

Rooms and suites are located in a two-storey village traditionally designed and built with local stone, set in expansive tropical gardens. The resort also features the award-winning Zara Spa and the healing traditions and therapies that have made the Dead Sea renowned worldwide.

## Rooms and amenities.

Subtly designed with décor that reflects both the heritage of the region and the architecture of old Jerusalem the resort offers 346 rooms and suites. Each is luxuriously appointed and enjoys sea, mountain or garden views from its private balcony or terrace. The overall ambience is one of serenity and relaxation.

In addition to a magnificent collection of antiques and art the resort has a dedicated kids club, extensive parking, meeting rooms, business centre and more to meet the needs of discerning business and leisure travellers.

## Dining and entertainment.

With nine restaurants and bars the resort offers an unparalleled variety of cuisine. Al Saraya, with its Mediterranean country kitchen ambience and choice of à la carte and buffets is ideal for all day dining. Luigi's, in the Village Square, is famous for its wood-fired oven pizzas and homemade pasta.

Chopsticks caters for gourmets seeking Asian specialities and offers views of both the Dead Sea and Village Square. The latter is also home to The Beach Lounge - a stylish poolside bar and restaurant, Valley Café & Bar an Arabian Coffee House with evening entertainment and The Grill where meats are grilled to order and perfection.

Al Khayyam Bar and Al Hana Lounge, overlooking the River Valley and Dead Sea, is the place for sunset cocktails and snacks. Mövenpick's premium ice cream is best enjoyed in poolside at The Splash and no visit to Zara Spa is complete without an exotic drink from the Juice Bar.

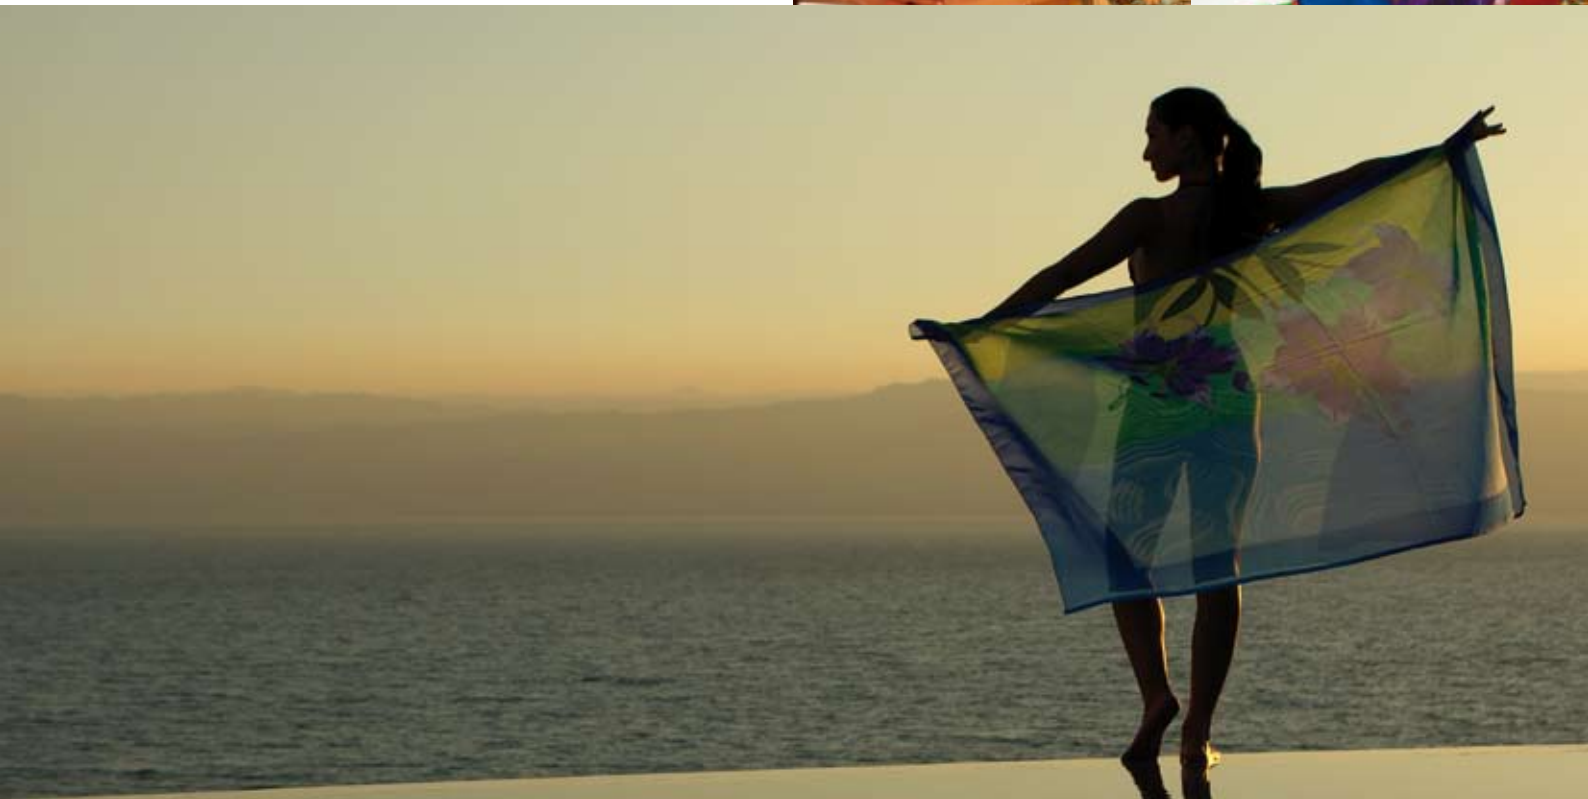

# Sport and leisure.

Zara Spa spreads over 6000 square metres of tranquility and sophistication, in a space dedicated to pampering your senses. With therapies designed to restore, revitalise and rejuvenate this is a world of harmony and well being for the body and soul. Our professional therapists, a vast array of hydro pools, private rooms, treatments and massages will guarantee you the ultimate sensory experience.

Families are welcomed and we provide an amazing choice of recreational activities including a safe beach, Dana Children's Activity Centre and pool, tennis courts, beach volleyball, a fitness centre and several other outstanding pools grace the resort.

Tourists will be delighted by the riches the surrounding countryside has to offer: Madaba is famous for its stunning mosaics. Mount Nebo, a sacred site.
